TekLink consultants are internationally recognized experts having deep industry knowledge combined with years of implementation experience.

Come see the difference!

## FREE SAPBI Upgrade Assessment

According to **Gartner**, *“Through 2012 more than 35 percent of the largest 5,000 companies will regularly fail to make insightful decisions about significant changes in their business and markets”*.

Make sure you are not left behind by keeping current on SAP BI Technologies!

TekLink has mastered BI7.0 Upgrades to where we do it faster, cheaper and better. We have a process by which we leverage our 15 BI 7.0 upgrades to **your advantage!** We are so confident in our proven upgrade methodology, we offer **fixed bid projects** for BI 7.0 technical upgrades.

What's more is that for qualified clients we offer a free one day Upgrade Assessment. At the end of this assessment, you will understand:

- **What is my BI7.0 Upgrade Value proposition?**
- **What will it take to do a technical BI7.0 upgrade in costs and duration?**
- **What are some of the added BI 7.0 functional benefits we should consider?**
- **What are limitations to my current BI solution?**

## TekLink Value Proposition

From the very start, TekLink applies its proven methodology and approach to increase your return and lower project risks. Throughout all stages of a project, TekLink takes a hands-on proactive role in order to ensure success. In addition, in today's globally competitive market, TekLink also offers a mix of Onshore and Offshore capabilities tailored to your needs. Come See the Difference!

## Peace of Mind

With the **Financial Times** reporting in 2006 that *“Some 18 per cent of IT projects failing and a further 53 per cent running over-budget, over-deadline or short on performance targets”*, TekLink is a premier partner who is uniquely positioned to consistently deliver high quality, on time and on budget.

It is therefore no wonder why Fortune 500 companies such as **Kellogg, Wrigley, John Deere, Molex, Merisant, Hartmarx** and others choose TekLink for **Peace of Mind**.

## What our Clients are Saying:

**“TekLink** was able to deliver quantifiable value in our process. They were able to quickly understand our complex processes and delivered the results, quickly and effectively.”

**Shouvik Dutta, CIO Hart Schaffner Marx**

## Our Approach:

Companies which run SAP have a myriad of consulting choices in today's market. It can be a daunting task trying to find the 'right' consulting vendor sifting through all the marketing hype. What we at TekLink know and practice, is that at the end of the day, each of our customers deserve:

- A Mutual Trust Relationship
- High Quality, Every Day
- Unparalleled Thought Leadership
- Flexible Solution Options
- Cost Effective Solutions
- Advance Technology Expertise
- Can Do Attitude
